Southern Secession

- Teaching tips:**
- Fold a piece of colorful paper in $\frac{1}{2}$ (hot dog fold) and in $\frac{1}{2}$ again (hamburger fold)
 - Cut the inside center crease and fold so the cut side is inside and it makes a booklet. Cut each flap in $\frac{1}{2}$ vertically
 - Glue "Southern Secession" on the front as a title
 - Glue the other 4 rectangles on the inside flaps
 - Have students write or draw reasons and details inside each flap. See Curriculum Framework page 39 for fact details
