

The student will demonstrate knowledge of the major events during the first half of the nineteenth century by a) identifying the economic, political, and geographic factors that led to territorial expansion and its impact on the American Indians (First Americans)

Expansion resulting from the Louisiana Purchase and War of 1812

The American victory over the **British** in the War of 1812 produced an American claim to the **Oregon Territory**, and increased migration of American settlers into **Florida**, which was later acquired by treaty from **Spain**
